CONDITIONS OF SALE

The property listed in this catalogue will be sold by Swann Galleries, Inc. as agent for others upon the following terms and conditions as may be amended by notice or oral announcement at sale:

1. All bids are to be per lot as numbered in the catalogue.
2. All property is sold "AS IS" and neither Swann nor the Consignor makes any warranties or representations of any kind or nature with respect to the property or its value, and in no event shall they be responsible for correctness of description, genuineness, attribution, provenance, authenticity, authorship, completeness, condition of the property or estimate of value, and no statement (oral or written) in the catalogue, at the sale, or elsewhere shall be deemed such a warranty or representation, or any assumption of responsibility.
3. Notwithstanding the preceding condition, property may be returned by the purchaser, the sale rescinded and the purchase price refunded under the following conditions: (1) printed books which prove upon collation to be defective in text or illustrations (provided such defects are not indicated in the catalogue or at the sale), and (2) autographs which prove not to be genuine (if this can be demonstrated and if not indicated in the catalogue or at the sale).
   Written notice of the cause for return must be received by Swann within seven (7) days of receipt of the property and the property must be returned to Swann in the same condition as it was at time of sale. Books in lots are not subject to return for any reason.
4. Any right of the purchaser under this agreement or under law shall not be assignable and shall be enforceable only by the original purchaser and not by any subsequent owner or any person who shall subsequently acquire any interest. No purchaser shall be entitled to any remedy, relief or damages beyond return of the property, rescission of the sale and refund of the purchase price; and, without limitation, no purchaser shall be entitled to damages of any kind.
5. Swann reserves the absolute right a) to withdraw any property at any time before its actual final sale, including during the bidding. and b) to refuse any bid from any bidder. The auctioneer is the sole judge as to the amount to be advanced by each succeeding bid.
6. The highest bidder acknowledged by the auctioneer shall be the purchaser. In the event of any dispute between bidders, the auctioneer shall have absolute discretion either to determine the successful bidder or to re-offer and resell the lot in dispute. If any dispute arises after the sale, Swann's sales records shall be conclusive as to the purchaser, amount of highest bid, and in all other respects.
7. On the fall of the auctioneer's hammer, title to the offered lot or article will pass to the highest acknowledged bidder, who, thereupon (a) immediately assumes full risk and responsibility therefor, (b) will immediately sign a confirmation of the purchase thereof, setting forth his name and address, and (c) will immediately pay the full purchase price therefor. If the foregoing Conditions or any other applicable conditions herein are not complied with, in addition to other remedies available to Swann and the Consignor by law (including without limitation the right to hold the purchaser liable for the bid price), Swann, at its option, may either (a) cancel the sale, retaining as liquidated damages all payments made by the purchaser or (b) resell the property, either publicly or privately, for the account and risk of the purchaser, and in such event the purchaser shall be liable for the payment of any deficiency plus all costs, including warehousing, the expenses of both sales, and Swann's commission at its regular rates and all other charges due hereunder.
8. All paid-for property shall be removed from Swann by the purchaser at his expense not later than five (5) days following its sale, and if not so removed, may, at Swann's option, be sent by Swann to a public warehouse at the account, risk and expense of the purchaser.
9. Except as noted in this paragraph, all lots in this sale are offered without reserve, for the account of a third party, without any interest (direct or indirect) of the auctioneer or Swann, and without guaranteed minimum; and the Consignor is not to receive any rebate commission and may not bid upon or buy back his property. Where there is a reserve it is so indicated by the symbol * next to the description for that lot. (A reserve is the minimum price agreed between the Consignor and Swann below which the lot will not be sold.) Where Swann or an affiliate of Swann is the sole or partial owner of the property it is noted by the symbol # next to the description for that lot. Where there is a reserve, in no event will it exceed the minimum Swann estimate.
10. Unless exempted by law from the payment thereof, the purchaser will be required to pay the combined New York State and local sales tax. Deliveries outside New York State may be subject to a compensating use tax of another state and, where a duty of collection is imposed upon them by law, Swann will require payment of such taxes.
11. Any and all claims of a purchaser shall be deemed to be waived and without validity unless delivered in writing by registered mail return receipt requested to Swann within fourteen (14) days of the day of sale.
12. No waiver or alteration of any of the above Conditions of Sale (whether made by the auctioneer, or Consignor, or any representative of Swann) shall be effective unless it is in writing and signed by a representative of Swann.
13. THE "ADVICE TO BIDDERS" APPEARING IN THE BACK OF THIS CATALOGUE FORMS PART OF THESE CONDITIONS OF SALE.
